

services guide

I'M SO GLAD YOU'RE HERE

In the following pages you'll learn more about my photography, what to expect from our collaboration, deliverables, and what is included in the service packages.

FIG. 01

THE MANIFESTO

I started Light Lab through capturing moments of the community and lifestyle I have been extremely honoured to live by. Furthering my horizons and developing the momentum of those I have been lucky to meet and work with has been nothing short of incredible. My aim is to continue to bring intentional visuals to business, present powerful story-telling and share heart felt moments.

No.1

Celebrations

New Zealand is an enchanting country with stunning natural landscapes, vibrant cities, and a rich culture. Whether you're planning a traditional wedding or something more unique. My aim is to be able to deliver a service that can capture your special day in the perfect way. Working on ideas together we can showcase the beauty of your chosen wedding location, family, and friends to create photos that you will cherish for a lifetime. I can tailor services to suit your specific needs and preferences in hope that you can relax and enjoy the day.

Deliverables:

Post Wedding Glimpse of around 10 images 48 hours after the Wedding.

High-resolution digital images: You can expect to receive a set of high-quality digital images that are edited and ready for you to print or share. Delivered within six weeks.

Online gallery where you can view, share and download your photos from.

Engagement shoot: In addition capturing some pre-wedding memories. A great way to get to know each other before the Wedding Day.

Investments:

Traditional Wedding \$3,200
 Enloperment Wedding \$2,200
 Engagement Shoot \$600

Lifestyle

Lifestyle photography over the years for me personally has been capturing the authentic and natural moments of those around me, along with the beauty of the outdoors and natural surroundings. I am always keen to collaborate on any ideas using a blend of candid, posed shots or images for commercial value. This service package includes a range of options from individual portraits to family photoshoots, couples sessions alongside group lifestyle gatherings. My aim is to deliver professional photos that capture the essence of your life and tell your unique story.

Deliverables:

High-quality digital images in various formats to use for online or print marketing purposes.

Retouched images: versions of the photos to ensure that the images are polished and free of any distracting elements.

Commercial usage rights to the images to use the images for marketing and promotional purposes.

Creative styling or location scouting.

Investments:

Open discussion from \$500 depending on service, number of images, hours and location.

Realestate

If you're looking to sell or rent your property, high-quality photography can make all the difference in attracting potential customers or clients. My real estate photography service package is designed to help showcase your property in the best possible light. Using the latest equipment, including a drone for aerial shots to capture every detail and highlight the unique features of your property. From wide-angle shots to close-ups of key features, I will create a stunning portfolio of photos that will make your property stand out in a crowded market. Working closely with you to understand your vision and preferences, I aim to ensure that your photos reflect your property's unique character and charm.

Deliverables:

High-resolution digital images: You can expect to receive a set of high-quality digital images that are edited and ready for you to use in your property listing.

Twilight or dusk photos: A great way to showcase the exterior of your property in a unique and striking way.

Aerial drone photography: Drone imagery can be a way to showcase your property and its surroundings from a unique perspective.

Architecture

Architecture is a unique art form that blends functionality and design, and capturing the essence of a building takes a keen eye and a skilled hand. As a builder by trade I have a personal appreciation for the details behind architectural projects and enjoy capturing the details to share with others. Using a mixture of wide-angle shots to close-ups of intricate details, I can help showcase the unique features and luxurious lifestyle for high-end property.

Deliverables:

High-resolution digital images: You can expect to receive a set of high-quality digital images that are edited and ready for you to use in your property listing.

Twilight or dusk photos: A great way to showcase the exterior of your property in a unique and striking way.

Aerial drone photography: Drone imagery can be a way to showcase your property and its surroundings from a unique perspective.

Investments:

1-3 bedroom house interior and exteriors 60 photo package

\$700

3+ bedroom house interior and exteriors 80 photo package

\$900

Aerial footage additional on request \$250
